

GMCC MEDICATION ADMINISTRATION FORM:

It is our policy at Green Mountain Children's Center to only administer medication to children if absolutely necessary. Should medication be necessary, written parental permission is required. The medication must be in its original container and clearly labeled by the pharmacy, with dosage, contents, schedule and date. The center does not administer over the counter medication (including Motrin and Tylenol), except with written instructions from the child's physician due to our accreditation status with NAEYC. GMCC staff will not administer cough and cold medications.

Written Permission from Parents or Guardian and Instructions from Licensed Health Provider

Name of Child: _____ Age _____ Weight _____
